# NAME：KX-95T PLC Miniature toroidal transformer winding machine

**Technical Parameters:**

| | |
|---|---|
| **Wire size** | 0.04-0.2mm |
| **Minimum finish inner diameter** | 1.3mm |
| **Maximum completion height** | 5mm |
| **Maximum finish outer diameter** | 6mm |
| **Max speed** | 300rpm |
| **Magazine inner diameter** | 35mm |

1. New PLC+ touch screen control system, German manufacturing process
2. Servo motor + with optical fiber technology to ensure the accuracy of hundreds of minutes, the highest altitude speed of the head can reach 1500rpm
3. Stepper motor ensures fine wiring
4. Fully automatic/manual setting of product positive and negative direction
5. Automatic/manual control of line spacing
6. Automatic/manual winding speed

## Packaging

Packaging Material: Carton/Wooden case with foam inside.

1. General package(Paper carton or plastic bag): For small equipped parts for Digital CNC Wire Coil Winding Machine, Package it with form and pack paper to guarantee unbroken during the transport.

2.Wooden case package: For larger scale Digital CNC Wire Coil Winding Machine ,we have special skilled carpenter, who would make the proper wooden case with exact thickness, density,length. The up arrow ↑marked on the outer wooden case. Buffer material would be put in the wooden case to prevent crack and shock.

## FACTORY:

Founded in 1993, KIOXIA LIGHT RING EQUIPMENT GROUP CO.,LTD. has established itself as a well-known manufacturer specializing in high-performance winding machines, along with supporting production equipment and professional technological services. A notable offering in its precision-focused product range is the KX-95T PLC Miniature toroidal transformer winding machine—a compact yet advanced solution integrated with PLC control, engineered specifically for efficient and accurate winding of miniature toroidal transformers, embodying the company's dedication to excellence in specialized winding equipment.

Beyond providing specialized machinery like the KX-95T PLC Miniature toroidal transformer winding machine, KIOXIA LIGHT RING delivers highly cost-effective comprehensive manufacturing solutions. These solutions cater to the production needs of various wound components, including transformers, chokes, and more, ensuring reliable support for efficient, high-quality processing across diverse winding applications.
